SUMMARY: [REDACTED] PAO, called to advise that during her conversation with Jennifer Jones, setting final details for a CIA speaker to address Pace University students on Thursday, 25 October she learned that eight foreign nationals were among the students who would be present. She then discussed this with George Lauder, D/PAO, who in turn discussed with Mr. Briggs. It was agreed between them that CIA could not brief any foreign nationals and that this was a long-standing policy of the Agency.

I called Jennifer and asked if there was any way she could "dis-invite" the eight foreign nationals. Jennifer responded "no" that they would have to stay as a group. I then informed her that we would have to withdraw our willingness to provide a speaker.

Jennifer thanked me for calling and made no other comment.

ACTION ITEMS:

None for now. Advised PAO and Mr. Briggs that invitation cancelled.

* 23 October - Jennifer called PAO and advised the eight foreign nationals would be taken elsewhere during time of CIA briefing...confirmed by Professor Helen Brady. We agreed [REDACTED] would address the group.
